

FISCAL NOTE
HB 2405 - SB 2934

February 4, 2004

SUMMARY OF BILL: Specifies that a judge shall require a person convicted of DUI who is driving on a restricted license to obtain an orange and white license plate from the Department of Safety to remain on the person's vehicle for the entire period of the restricted license or for one year, whichever is longer. Requires the person holding the restricted license to bear the cost of the plate to be set by the Department of Safety.

ESTIMATED FISCAL IMPACT:

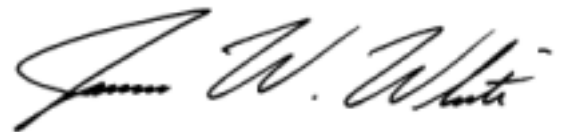

Increase State Expenditures - \$5,300 One-Time
\$39,960 Recurring
Increase State Revenues - \$50,000 Recurring

Estimate assumes:

- Approximately 1,000 individuals with restricted licenses would be required to obtain such plates annually.
- One position in the Department of Safety to handle issuance of such plates and related correspondence with salary and benefits of \$29,700.
- One-time increase in expenditures for computer and office equipment for the additional position of \$2,800 and for computer system changes of \$2,500.
- Recurring increase in state expenditures for supplies, postage and other administrative expenses of \$6,000.
- Increase in state expenditures of \$4,260 annually for the manufacture and distribution of such plates (\$4.26 each).
- The Department of Safety will set the fee at \$50 per plate as authorized by the provisions of the bill.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
